16.2.1 the chairman of the meeting proposes the amendment at the general meeting at which the resolution is to be proposed; and

16.2.2 the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.

 - 18.3.2 the director's interest cannot reasonably be regarded as likely to give rise to a conflict of interest; or
 - 18.3.3 the director's conflict of interest arises from arrangements pursuant to which benefits are made available to employees and directors or former employees and directors of the Company or any of its subsidiaries which do not provide special benefits for directors or former directors.
- 18.4 For the purposes of this article, references to proposed decisions and decision-making processes include any directors' meeting or part of a directors' meeting.

3. Each nominee for membership of the Board from the elected pharmacy contractor group shall be proposed by another voting member of the Council from that same group, while Company Chemists' Association nominees shall be declared by the Company Chemists' Association Scottish Management Group. There shall be no necessity for a formal seconder. Nominations, in writing, shall be submitted to the Chief Executive Officer, or such other individual as may be nominated by the Board, in accordance with the timescales and otherwise as set out in paragraph 2 above. Nominations for Chairman or Vice Chairman shall require a formal seconder.
4. 4.1 In order to assist members at the election of the Chairman, Vice Chairman

and Board, the Chief Executive Officer, or such other individual as may be nominated by the Board, shall call for brief biographical notes from each person seeking election as the Chairman, Vice Chairman or to the Board. These may be edited, for the purposes of brevity, by and at the discretion of the Chief Executive Officer or such other individual as may be nominated by the Board and shall be circulated in advance of the meeting of the Council to all voting members of the Council.
